Dear Sir:

Patentee resubmits the request for a Certificate of Correction in response to the Communication dated June 21, 2005.

In the Specification:

Column 1, line 8, "Pat. No. 6,741,490 which" should read --Pat. No. 6,741,490, issued on May 25, 2004, which--.

As Applicant's representatives recently discussed with Henry Randall of the Decisions & Certificates of Correction Branch, the request for correction is based on the Examiner's Amendment dated September 14, 2004. After reviewing the record, Mr. Randall agreed that the error was not in the application as filed by applicant; accordingly no fee is required. Accordingly, he told the Applicant's representative to prepare this Renewed Request.

Transmitted herewith is a proposed Certificate of Correction effecting such amendment.
Patentee respectfully solicits the granting of the requested Certificate of Correction.

Respectfully submitted,
